

BAREFOOT BOWLS AND FUNCTIONS FOOD OPTIONS

Clayton Bowls Club has an excellent variety of platters and plated meals on offer for the 2020/2021 summer season. We are excited to announce a re-designed menu that is not only **amazing value** but more importantly, **delicious!**

In keeping with **Covid-19 restrictions**, and in order to maintain the highest level of safety for patrons and for staff, each visiting group will have a dedicated staff member for the duration of their meal.

Please allow **\$40 per hour per every 20 guests** for your dedicated staff member(s). Their role is to manage shared meals without the sharing of utensils or plates, to make sure that your experience is safe, and to help you with managing drinks.

Barefoot Bowls is \$20 per person – this includes all equipment, coaching, and you can bowl for as long as you wish!

If numbers are significant please contact **Margaret** at the club on **9544 9929** to discuss.
