

## **Clayton Bowls Club Responsible Gaming Policy**

Clayton Bowls Club is committed to providing the highest standards of customer care and responsible gambling. Our Responsible Gambling Code of Conduct describes how we do this.

Responsible gambling means that consumers exercise a rational and sensible choice based on knowledge and their particular circumstances. It means a shared responsibility with collective action by the gambling industry, government, individuals and communities.

Our Responsible Gambling Code of Conduct includes that “Best Practice in our venue does not support the playing of two gaming machines at any one time”.

Clayton Bowls club has adopted the Community Clubs Victoria Responsible Gaming Policy
